Principal Update Mr. Billy	<p>-Teacher Appreciation Week was awesome PTO provided decorations, treats, gift bags, and raffle for the teachers. It all was very nice and teachers really felt appreciated.</p> <p>-The outdoor furniture that PTO purchased for the school has been used every day</p> <p>-The plan is to come back full day next year. Mr. Billy does not know what lunch will be like next year. The time schedule might change a bit because there might need to be 5 minutes here and there for spacing and cleaning issues. The lunch schedules might look different depending if the rule is to maintain 6 feet or 3 feet. If it is 6 feet, the school might need to do some lunches in classrooms and hire more staff.</p> <p>-Have a lot of other things going on. Governor said for health reasons, people can choose remote next year. Mr. Billy doesn't know what that would look like at our school. Before summer break, school will put out an example of what the remote kids schedule would look like next year if given the choice to be remote next year. Hopefully before June 15th we will hear what the plan will be for remote next year.</p> <p>-We will have a new school counselor next year. Mrs. Rutt is moving to the high school next year. Also, Mrs. Sheffield is retiring so Mr. Billy has been doing 1st grade interviews today (it was in person interviews).</p> <p>-Mr. Billy said he couldn't wait until everyone can be in school again, but he also recognizes that some things have worked really well on Zoom. He said PTO meetings on Zoom next year is important. There were 26 participants on Zoom tonight for this meeting and he said that wouldn't happen if it was everyone having to meet in the school's library in person. He said Zoom has really helped people be more involved and has helped include more people. He also said that is the case for teacher conferences and such as well.</p>

<p>Principal Update cont. Mr. Billy</p>	<p>He said next year teacher conferences might look different and back to school night might also look different now that Zoom is being used more. It is showing there is a way to include more people by having Zoom.</p> <p>-Mr. Billy thanked the PTO and PTO board for screen free week stuff for all the students</p> <p>-He reiterated that he does not know how lunches will be done next year and it's still being discussed. He said that lunches are the big headache to navigate. He mentioned that Hamilton school is not providing lunch and students must bring lunch. He also stated that all lunches are free lunches next year. The plan is to have only prepackaged lunches to start and possibly bring in hot lunches later in the year based on spacing.</p> <p>-Mr. Gerald put together 13 or 14 picnic tables. He spent several days putting them together. Mr. Billy was very grateful to Mr. Gerald for handling all of that and putting together all of those items which was a big job to do.</p>
<p>PTO President's Update Kim Naughton</p>	<p>-Outdoor seating, picnic tables, umbrellas, supply caddies, and cushions were purchased to help with social distancing and to provide space for outdoor learning.</p> <p>-16 picnic tables in total were purchased</p>
